ATTENDEES

Kallie Britt, Mary Bledsoe, Kristina Britt, Rendi Britt, Kim Shelton, Joyce Brown, Amanda Wiseman, Mark Ledbetter

AGENDA

The meeting was held at Simpler Times and was called to order by Mary Bledsoe at 6:08pm.

The secretary Jarrod Pearson was absent, so no minutes from June were read. Mary then asked if the minutes should be printed in addition to them being online, and everyone agreed that the online version was fine. The treasurer; Kristina Britt gave a report stating that the main account had $2,727.79 and the special account had $737.16.

We also discussed the July 3rd streetdance and fireworks. The event went very well and Gonzalo Grez from Fiesta Grill wants to start planning for next year. The idea of putting up a fireworks tent was also brought up. Mayor Joyce Brown said that she believed we would need a state issued permit to sell fireworks, but would look into it to find all the details. Street Dance Head Chairman; Rendi Britt annoucend the official date for the next street dance for August 3rd. She will also be discussing the reports from all three street dances at the August meeting.

The idea of putting up signs at both ends of town was brought up. The signs were brought up during the June meeting and would say something along the lines of 'come shop in downtown Cowan' and also just one sign that is 'visitcowan.com'. The decision of whether or not to get them was put to a vote, where it was denied.
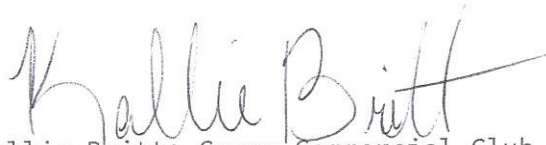

AHF Consultants will be having their ribbon cutting on August 1st at 11am. The Franklin County Chamber of Commerce will be hosting but we ask

that any Commercial Club member will be there to welcome one of our newest businesses.

With the end of the year coming up Kallie Britt was asked to write a letter to all members, past members and potential members about membership and dues.

Mary passed out a nomination ballot for our August or September vote.

Meeting adjourned at 6:22.
