

Cowan Commercial & Community Club

Cowan Commercial & Community Club was founded in 1922 and is one of Tennessee's oldest civic organizations. Our purpose is to promote and support Cowan through business and community efforts. Our focus is on supporting local schools, businesses and the community.

We, as a group, work closely with the city of Cowan for the betterment of our community and invite you to join us to be a part of a group that works to support and promote Cowan!!

Cowan Commercial Club owns & operates:

VisitCowan.com – an online resource that promotes our community and businesses with traffic ranging from 1200 to 2000 visitors per month and one of the area's most popular websites. VisitCowan.com is one of Cowan Commercial Club's most visible and most valuable assets. Started in the Year 2000, it is one of the first websites of its kind in Franklin County.

The Cowan Clipboard – our monthly newsletter and event calendar that goes out to over 300 households.

VisitCowanTennessee – our facebook page which we use to promote Cowan events and cultural information to even more people.

VisitCowan.com, its companion Facebook page, and the Cowan Clipboard e-mail newsletter combined are some of the most visible and effective marketing channels in our region.

We meet once a month on the fourth Monday of each month at 5:30pm.

We invite you to come & bring your ideas & suggestions to a meeting.
